Bank transfer scam refunds	Up to £85,000 a claim; report within 13 months. Under review	**Payment Systems Regulator**, as at 17 Oct 2026

Money basics checklist

- **Emergency fund** – easy-access cash for unexpected bills, built up before investing.
- **Pay off expensive debt** – credit card and overdraft interest usually costs more than savings earn.
- **Get your employer's pension match** – contributing enough to get the full employer contribution adds money you'd otherwise miss out on.
- **Use your ISAs** – interest, dividends and gains inside an ISA are tax-free.
- **Give it time** – investing is for five years or more; staying invested through ups and downs matters more than timing the market.
